

Dear sailing yacht owner,

Annually, on the last weekend of July, the oldest and largest summer event in the country brings the **Sea Festival** (<https://jurossvente.lt/en/gallery/>) to Klaipeda, which has been organized in the city since 1934. Noble and sensitive traditions, honorable ceremonies for the sea, street performances, concerts - this midsummer feast's schedule includes about 100 events of different genres. The festival is the best known and most favorite event in Klaipeda which has been visited for over 0,5 million people from Lithuania and abroad.

Klaipeda, the member of **Baltic Sail**, the only Lithuanian harbor city and a famous national wide festival will hospitably open the sea-gate!

The most awaited celebration of the year will happen on 27-29 July.

This year for our country is very special. We are celebrating a significant event - **the recovered independence centenary** - and heartily invite every sailing vessel to set sails to the Lithuanian port city!

Dear Captain, organizers of The Sea Festival guarantee you **free entrance and mooring, electricity and fresh water, free Wi-Fi and fun joint crew party!**

Do not hesitate, fill in and send us the arrival form which you will find below.

For requests type at e-mail: violeta@seafestival.lt

Looking forward to meeting at the Sea Festival,

**Violeta Uleviciene,
Maritime project coordinator
